

A Division of the City of Idaho Falls

“A community with its own kind of energy”

**City Council Work Session
“IFP Board Meeting”
Idaho Falls Power Large Conference Room
May 28, 2015
7:00 a.m.**

Agenda

1. Financial Stability and Creditworthiness Policy – to discuss proposed expanded risk management provisions.
2. Cost of Service Model – to discuss updates to the retail rate model that considers utility costs and cost causation related to each customer classification.
